

Table Pad Company

Table Pad Companies

To ensure the quality of your table pad as well as the follow-up service that you will be entitled to after the purchase, it is essential that you buy from the following reputable and well-recognized table pad companies in America.

Ohio Table Pad Company

The Ohio Table Pad Company is a maker of custom-made table pad protection. It is one of the fastest-growing table pad companies and has been catering to wholesalers for 85 years. They offer innovative programs to boost up dining room sales. Its success is rooted in providing selling programs to help dealers as well as to keep giving customers superior quality products. It now has over 4,000 furniture retailers and distributors nationwide.

Pioneer Table Company

The Pioneer Table Company is a family-owned-and-operated business. It has been committed to providing quality table protection for 98 years. It holds tradition and reputation in great importance and is committed to preserving a table's finish so that a family can enjoy celebrations and traditions from one generation to the next.

Guardian Custom Products

Guardian Custom Products is a division of the Ohio Table Pad Company. It has been a wholesaler of table protection products since 1923. It provides custom-made table pads according to customer specifications. Their products are made with quality materials and superior workmanship and are offered at the lowest possible price. It also provides storage bags, folding game table tops, and sew boards.
